FOR THE MIDDLE DISTRICT OF PENNSYLVANIA

UNITED STATES OF AMERICA

v.

MICHAEL MILLER,  
JANIS TOLAN

CRIMINAL NO. 1:16-CR-109

(Judge Rambo)

**ORDER**

**IT IS HEREBY ORDERED THAT** the captioned case will be governed by the following:

1. **Trial.** The trial will commence with the drawing of a jury on **June 20, 2016 at 9:30a.m.** No continuance will be granted except for extraordinary circumstances. ANY MOTION FOR A CONTINUANCE OF THEIR TRIAL DATE MUST BE FILED (15) DAYS BEFORE THE TRIAL DATE.

2. **Motions deadline.**

(A) All pretrial motions, except motions *in limine*, and except for good cause shown, shall be filed by **May 18, 2016**. The motion must be accompanied by a brief. See paragraph 14 of this order.

(B) A motion for a bill of particulars is governed by Rule 7 of the Federal Rules of Criminal Procedure.

(C) Motions *in limine* shall be filed not less than thirty (30) days prior to the date scheduled for jury selection.

3. **Caption.** The name of the judge to whom this case is assigned shall appear under the case number.

4. **Conference.** Within fourteen (14) days after the date of this order, the United States Attorney, or one of his assistants, and the attorney for the defendant shall meet in the United States Attorney's Office, Second Floor, Federal Building, Third and Walnut Streets, Harrisburg, Pennsylvania. At that conference, the government shall:

(A) Permit the attorney for the defendant to inspect and copy or photocopy any relevant written or recorded statements or confessions made by the defendant or copies thereof within the possession, custody, or control of the government, the existence of which is known, or may become known to the attorney for the government;

(B) Permit the attorney for the defendant to inspect and copy or photocopy any relevant results or reports of physical or mental examinations, and of scientific tests or experiments made in connection with the case, or copies thereof, within the possession, custody or control of the government, the existence of which is known, or may become known to the attorney for the government;

(C) Permit the attorney for the defendant to inspect and copy or photograph any recorded testimony of the defendant before a grand jury which relates to the offense charged;

(D) Permit the attorney for the defendant to inspect and copy, photocopy or photograph books, papers, documents, tangible objects, buildings or places which are the property of the defendant and which are within the possession, custody, or control of the government;

(E) Permit the attorney for the defendant to inspect and copy or photocopy the defendant's prior criminal record in the possession of the attorney for the government;

(F) Permit the attorney for the defendant to inspect, copy or photocopy any exculpatory evidence within the purview of *Brady v. Maryland*, 373 U.S. 83 (1963). The government may, however, first redact impeachment material that is within the scope of *Giglio v. United States*, 405 U.S. 150 (1972). The government shall make all *Giglio* material available to the defendant for inspection or copying at least one week before the start of trial, unless the government demonstrates that unique circumstances in the case require a later disclosure;

(G) Produce all evidence which may be the subject of a Rule 12 motion;

(H) If there are multiple defendants named in the indictment, and if the government intends to introduce into evidence in its case in chief a confession made to law enforcement authorities by one defendant which names or makes mention of a codefendant, then the government shall make a copy of that statement or confession available to counsel for the non-declarant defendant along with a proposal for its redaction to conform with the requirements of *Bruton v. United States*, 391 U.S. 123 (1968). If the government makes no such disclosure and turnover, the confession may not be received at a joint trial of the declarant and non-declarant defendants. If, within ten (10) days after receipt of the confession and its redacted version, counsel for the non-declarant defendant makes no objection to the redacted statement, he will be deemed to have acceded to the admission of the redacted statement into evidence.

5. **Reciprocal Discovery.** The defendant shall provide government counsel with reciprocal discovery pursuant to Federal Rule of Criminal Procedure 16(b)(1)(A) and (B).

6. **Disclosure Declined.**

(A) If, in the judgment of the United States Attorney, it would be detrimental to the interests of justice to make any of the disclosures set forth in ¶ 4, disclosure may be declined, and defense counsel advised in writing of the declination on or before the date of the conference between counsel;

(B) If the defendant seeks to challenge the declination, he may move the court for relief in the following manner:

(i) No later than seven (7) days after the conference between counsel, the defendant shall file a motion for discovery or inspection;

(ii) the motion shall set forth (a) a statement showing the date and time that the prescribed conference between counsel was held; (b) the name of the assistant United States attorney with whom the conference was held; (c) all matters which were agreed upon; and (d) the matters which are in dispute and which require the court's determination.

7. **Continuing Duty.** Any duty of disclosure and discovery set forth herein is a continuing one and the United States Attorney shall produce any additional information gained by the government within fourteen (14) days after receipt thereof subject, however, to the provisions of the paragraph

relating to declination of disclosure. The defendant may move to challenge the declination with respect to such additional matters within seven (7) days after the government declines to disclose same.

8. **Exhibits**. The parties shall pre-mark all exhibits which they intend to introduce as part of their direct case. One copy of the exhibit list and all exhibits shall be served on the opposing party not later than fourteen (14) days prior to the commencement of trial. Objections to the admissibility of exhibits shall be filed with the court seven (7) days prior to trial. A set of the pre-marked documentary exhibits with an exhibit list in duplicate shall be given the deputy clerk before or at the outset of trial. The exhibit list shall be in the form attached.

9. **Witness Statements**. Counsel shall pre-mark all statements which must be produced pursuant to Federal Rule of Criminal Procedure 26.2 so that no trial delay is encountered at the time the statements are turned over. Voluntary disclosure at a time earlier than that mandated by the rule is encouraged in order to avoid delays at trial.

10. **Authenticity of Exhibits**. The authenticity of all exhibits examined by counsel pursuant to the provisions of ¶ 8 of this order will be deemed to have been accepted unless counsel files with the court at least seven (7) days prior to the date of jury selection, or commencement of a nonjury trial:

(A) A notice that the authenticity of the particular exhibit or exhibits will be contested at the trial; and

(B) A statement delineating why the authenticity of each particular exhibit is being challenged.

11. **Chain of Possession**. When defense counsel has examined an exhibit pursuant to this order, the chain of possession of the exhibit will be

deemed to have been accepted by the defendant unless defense counsel files with the court, at the time set forth in the previous paragraph relating to notice of challenge of authenticity of exhibits, a notice that the chain of possession of the exhibit will be contested by the defendant at trial.

12. **Scientific Analysis.** When the government has disclosed to defense counsel at the conference set forth in ¶ 4 the scientific analysis of an exhibit proposed to be introduced at the trial by the government which has been determined by an expert in the field of science involved, the scientific analysis of the exhibit will be deemed admissible in evidence unless defense counsel files with the court, at the time set forth in ¶ 10 relating to notice of challenge of authenticity of exhibits, a notice that the scientific analysis of the exhibit will be contested.

13. **Depositions.** If a videotape deposition is to be used at trial, it **must** be accompanied by a transcript of the deposition.

14. **Motions.**

(A) **Concurrence By Opposing Counsel.** All motions prior to trial shall be written and shall, with the exception of *ex parte* motions, contain a certification by counsel for the movant that concurrence in the motion by opposition counsel has been sought and it has been either given or denied.

(B) **Documents Substantiating Motion.** When allegations of fact are relied upon in support of a motion, all pertinent affidavits, transcripts, and other documents shall accompany the motion unless good cause is shown why they cannot be submitted at that time, in which event they shall be filed as soon as reasonably possible.

(C) **Certificates of Service.** Certificates of service shall be attached to the motion following the certificate of concurrence or nonconcurrence.

**(D) Pretrial Motions.**

(i) Pretrial motions shall be accompanied by a supporting brief. If a supporting brief is not filed in conjunction with the motion, the motion will be deemed withdrawn, unless otherwise ordered by the court.

(ii) A responsive brief shall be filed within fourteen (14) days of the filing of the motion and brief.

(iii) Motions for extension of time must be filed (5) days before the expiration of the original deadline.

(iv) A reply brief may be filed by the original movant in rebuttal to new matter raised by the respondent's brief. Such a brief shall be filed within fourteen (14) after the filing of the responsive brief. The court reserves the right to rule on any motion without benefit of a reply brief.

(v) The court will not consider motions unless they are supported by briefs which describe the factual background for the motion and cite legal authority for the requested relief.

**(E) Motions to Extend or Shorten Time.** A motion to extend or shorten a time period may be granted by the court without waiting for a responsive brief.

**(F) Contents of Briefs.** Briefs shall contain complete citations of all authorities relied upon and shall refer, where applicable, to United States Reports, Federal Reporter, Federal Supplement, Federal Rules Decisions and Atlantic Reporter 2d. Photocopies of all opinions and articles cited in briefs but not contained in the aforementioned reports shall be submitted with the briefs.

**(G) *Ex Parte* Motions.** All requests to the court for the issuance of subpoenas or writs of habeas corpus *ad testificandum* shall, except for good cause shown, be filed fourteen (14) days prior to the date set for jury selection and shall state with specificity the proposed testimony of each witness and its relevance to the case. The witnesses shall be listed in the order of preference to the movant.

15. **Psychiatric Examination.** An application for a psychiatric examination of a defendant shall be made within twenty-one (21) days of arraignment. Such request shall cite the statutory authority under which the examination is sought and shall state the ground(s) on which the necessity of

such examination is based. It shall contain the name of the doctor who is to conduct the examination and a list of three alternative dates and times on which a psychiatrist has agreed to examine the defendant, if the motion is granted.

16. **Proposed Voir Dire Questions.** Proposed *voir dire* questions shall be submitted at least seven (7) days prior to jury selection.

17. **Points for Charge.** Each party shall submit requests for charge at least seven (7) days prior to trial. Proposed points for charge shall not exceed twelve (12) in number, each on separate pages, and shall state the best authority for the point. If the best authority cited is not reported in United States Reports, Federal Reporter, Federal Supplement, Federal Rules Decisions and Atlantic Reporter 2d, a photocopy of the pertinent opinion shall be submitted with the point. Supplemental points for charge may be submitted for matters arising during the trial which could not reasonably have been anticipated by the party submitting such additional points.

18. **Communications With Court.** All letters and other documents which are mailed to the undersigned judge or the clerk of court shall be addressed to the Federal Building, P.O. Box 983, Harrisburg, Pennsylvania 17108-0983, unless they are filed electronically. Copies of non-electronic filings shall be sent by counsel to opposing counsel. No counsel shall meet with the court or with a law clerk on a matter relating to this case unless opposing counsel is present. Counsel shall not communicate with the court or with the law clerk by telephone on a matter relating to this case except by conference call with other counsel on line. Counsel may make inquiries of a law clerk which are purely procedural or are related to

scheduling. An *ex parte* communication may be made to report a proposed change of plea.

19. **Conflict With Rules of Court or Prior Order.** Should any provision of this order conflict with any rule of court for the United States District Court for the Middle District of Pennsylvania, or any standing order of this court or district, such conflicting provision of this order shall control and the rule of court or standing order shall be suspended in the captioned case to the extent that it conflicts with this order. If any provision of this order conflicts with a prior order in this case, such prior order shall be revoked to the extent that it conflicts with this order.

20. **Plea Agreements.** Absent exigent circumstances, all plea agreements and/or requests for trial continuances in criminal proceedings shall be properly executed and filed no later than fourteen (14) days before scheduled trial dates. Failure to move for a continuance in a timely manner could be grounds for denial of the motion.

21. **Daily Schedule.** The following trial schedule will be maintained, unless otherwise ordered by the court: Each morning session will commence at 9:30 A.M. and end at 12:30 P.M. Each afternoon session will commence at 1:30 P.M. and end at 4:30 P.M. There will be a ten (10) minute break at approximately 11:00 A.M. and 3:00 P.M. The courtroom doors will be locked during the lunch hour.

22. **Trial Transcripts.** Post-trial motions will be decided without a transcript of testimony unless there are unusual circumstances. Counsel are cautioned to take adequate notes. Failure to do so will not be a justification for the transcription of testimony.

Counsel shall remain at counsel table, either standing or sitting, when questioning witnesses.

24. **Sidebar Conferences.** Counsel desiring sidebar conferences prior to the commencement of trial at 9:30 A.M. shall notify the court before 9:00 A.M. Sidebar conferences will be held between 9:15 and 9:30 A.M. before the jury is brought into the courtroom.

27. **Post-Trial Motions.** Briefing of post-trial motions will be in accordance with Local Rules 7.5, 7.6, 7.7 and 7.8. Should the court grant a request for a transcript of the trial testimony, the moving party's brief shall be filed within fourteen (14) days of the filing of the transcript. Respondent's brief will be due fourteen (14) days after the filing of the movant's brief.

28. **Procedure for Effecting Interim Payment to Court Appointed Counsel.** If counsel considers this case complex or expects the case to be of an extended duration where it would be a hardship not to receive interim payments of counsel fees, counsel shall file a motion requesting such interim payments as follows:

A. **Within the Statutory Limit.** If counsel does not expect to exceed the statutory limit set forth in 18 U.S.C. § 3006A(d)(2), counsel shall file a motion for interim payments and a

proposed form of order which complies in substance with the requirements of Chapter II, Part C of the Guidelines for the Administration of the Criminal Justice Act<sup>1</sup> including that each interim voucher be assigned a number, be submitted on a regular schedule and designated an interim or final voucher, and be supported by detailed and itemized time and expense statements.

**B. Above the Statutory Limit.** If counsel does expect to exceed the statutory limit set forth in 18 U.S.C. § 3006A(d)(2) **or if it reasonably foreseeable** that the statutory limit will be exceeded, in addition to the requirements set forth in paragraph 28 (A) above, counsel shall attach as an exhibit to the motion for interim payments an order from the Chief Judge of the Court of Appeals or his or her delegate approving an interim payment procedure.

C. No requests for interim payment will be approved unless counsel comply with the procedure outlined above.

D. All payment vouchers submitted for the court's approval shall be sequentially numbered and designated either interim or final.
